

CERTIFICATE OF CONFORMITY

0761 – CPD – 0002

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of the European Communities of 22 July 1993, it has been stated that the construction product

Powered smoke and heat exhaust ventilators
IGW-Strahlventilator, Type P-N8L5
Diameter: 400 mm, Class F300

produced by the manufacturer

Witt & Sohn AG
Wuppermanstr. 6-10
D-25412 Pinneberg

in the factory

Halifax (GB)

is submitted by the manufacturer to the initial type-testing of the product by C.T.I.C.M. (notified body No. 1166) and a factory production control: The Materialprüfanstalt für das Bauwesen Braunschweig as a notified body (No. 0761) has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity described in Annex ZA of the standard

EN 12101-3:2001-02

were applied and that the product meets all requirements addressed in this standard.

This certificate has first been issued on 16 March 2005. It remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
